

3D Miniatures

For a truly personalized gift, create a handcrafted miniature of your product, building or any other idea you can imagine. Design a functional coin bank, card holder or a simply decorative replica. Free-Standing Miniatures can be made in pewter, poly-resin, alloy injection and 3 dimensional PVC. Poly-resin items are hand painted to capture even the smallest detail.

Ornaments and Suncatchers

Decorate & celebrate with delightful unique designs to fill your special requirements. Collectible ornaments are a festive way to remind customers that you appreciate them. Ornaments are available in numerous techniques. Suncatchers in translucent enamel add refreshing color to any promotion.
