

Cool Stuff

We are always adding new products and ideas. Squeeze toys with sound, flashing key chains, and walking stick medallions are just the beginning. We can also package your product in a variety of ways creating a special keepsake for both your employees and clients.

Walking Stick Medallions

Cell Phone Charms

Pewter Spoon

Can Shaped CD Holder

InterActive™ & Cool Techniques

Take our already outstanding products to the next level. Offer 3D alloy-injected pins with Thixo™ enamel for greater dimension. Try Extreme 3D PVC for depth & detail. Glitter enamel, spring-activated bobbles, blinking lights, lenticular imaging...let your imagination take control.
